

## Dalhousie University - Izaak Walton Killam Postdoctoral Fellowship 2025

### Descrição

The Dalhousie University (<https://www.dal.ca/>) is internationally known as one of North America's most welcoming universities. Founded in 1818, Dalhousie is one of Canada's oldest universities, attracting more than 18,800 students from around the world. The university blends transformative academic programs with pioneering research on Canada's East Coast.

The intention of the Izaak Walton Killam Postdoctoral Fellowship ([https://cdn.dal.ca/content/dam/jwp/gradstudies/documents/scholarships/kpdf\\_compguidelines2024.pdf](https://cdn.dal.ca/content/dam/jwp/gradstudies/documents/scholarships/kpdf_compguidelines2024.pdf)) program is to attract recently graduated scholars of superior research ability to Dalhousie University, and to provide the recipients with the opportunity to establish themselves as productive members of the academic community. The doctoral degree is understood to be a degree awarded primarily for the completion of independent research, which is publishable in the normal, refereed scholarly manner that is characteristic of a discipline.

### Data Limite

December 16, 2024.

### Elegibilidade

1. You have completed or will complete, a PhD at an institution other than Dalhousie University between September 15, 2021 and September 30, 2025, for this competition. Killam PDFs are intended for scholars new to Dalhousie.
2. You have not previously held an academic or employment position at Dalhousie University.

### Valor Financiado

Approximately 4 to 5 new fellowships are awarded annually. The fellowships are valued at up to \$60,000 annually including a \$50,000 taxable stipend, full benefits and a travel allowance for transportation to and from Halifax, a one-time research allowance (\$3,000) and a conference travel grant (\$1,000).
