

## ISSLS - Prize for Lumbar Spine Research 2025

### Descrição

Since its establishment in 1974, the International Society for the Study of the Lumbar Spine (<https://www.issls.org/about-us>) has done more to advance the study of low-back pain and disability than any other organisation. ISSLS members, some 400 surgeons, physiotherapists, chiropractors, engineers, kinesiologists, epidemiologists and molecular and cell biologists from around the world, are at the forefront of developments and advances.

The Prize for Lumbar Spine Research (<https://www.issls.org/the-issls-prize-for-lumbar-spine-research>) comprises three awards that are awarded competitively on the basis of scientific merit in one or more of the following areas: basic science, bioengineering science and clinical science. Papers submitted for the ISSLS Prize Competition must be original, full article manuscripts, not previously published or submitted for publication.

### Data Limite
