
Society of Biological Psychiatry - Humanitarian Award 2025

Descrição

The Society of Biological Psychiatry (SOBP) (<https://sobp.org/>) was founded in 1945 to encourage the study of the biological causes of and treatments for psychiatric disorders. Its continuing purpose is to promote excellence in scientific research and education in fields that investigate the nature, causes, mechanisms, and treatments of disorders of thought, emotion, or behavior.

The Humanitarian Award (<https://sobp.org/society-of-biological-psychiatry-humanitarian-award/>) is intended to recognize those who have demonstrated service and advocacy for mental illness.
