
AICR - Research Grant Program: Investigator-Initiated 2025

Descrição

The American Institute for Cancer Research (AICR) (<https://www.aicr.org/>) is a nonprofit charity that fund cutting-edge research and give people practical tools and information to help them prevent - and survive - cancer.

The Investigator-Initiated Research Grant Program (https://www.aicr.org/wp-content/uploads/2024/11/AICR2025_Grant_Application-Package_final.pdf) is dedicated to funding research on cancer prevention, treatment and survival related to diet, nutrition, body composition and physical activity.

The research areas are:

1. Cancer Prevention;
2. Cancer Survivors.

Data Limite

Letter of Intent: January 17, 2025

Elegibilidade

1. Principal Investigators must have a PhD, MD, or equivalent degree, and be research staff or a faculty member at a non-profit academic or research institution at the level of Assistant Professor (or its equivalent) or higher.
2. Applications will be accepted only from the Americas (North America including the United States and Canada, Central America, the Caribbean and South America).

Valor Financiado

Most Investigator-Initiated Research Grants are awarded for a maximum US\$150,000.00, plus 10 percent in indirect costs, with a limit of US\$75,000.00 direct costs for any one-year.

Forma de Solicitação

Applications must be submitted online Here (<https://proposalcentral.com/default.asp>).
