
National Psoriasis Foundation - Early Career Research Grants 2025

Descrição

The National Psoriasis Foundation (NPF) (<https://www.psoriasis.org/>) is a non-profit organization with a mission to drive efforts to cure psoriatic disease and improve the lives of those affected.

The NPF through the Early Career Research Grants (https://npf-website.cdn.prismic.io/npf-website/ZyKina8jQArT0CqH_EarlyCareerRFAFinal.pdf) aims to support scientists at this challenging early career stage and to welcome them into the collaborative community of scientists, clinicians, and patients involved with NPF research. Applications related to all aspects of psoriatic disease are strongly encouraged, including basic science, technology, epidemiology, and clinical research.

Data Limite

January 31, 2025 at 5:00 p.m. ET

Elegibilidade

The applicant must be personally and actively responsible for the conduct of the proposed research. Eligible applicants should have received an advanced clinical or research degree and should be employed in a trainee-level position with no more than five (5) years of experience in that position. The applicant is not required to be a United States citizen, and the research is not required to be executed in the United States.

Valor Financiado

Applicants may request up to \$50,000 (direct costs only) per year.

Forma de Solicitação
