
SIU - Training Scholarships 2025

Descrição

The Société Internationale d'Urologie (SIU) (<https://www.siu-urology.org/>) was founded in Paris, in 1907, by Dr. Jean Casimir Félix-Guyon. The Society's mission is to enable urologists in all nations, through international cooperation in education and research, to apply the highest standards of urological care to their patients.

One of the cornerstones of the SIU's educational mission is its Training Scholarships (<https://www.siu-urology.org/society/training-scholarships>) for young urologists. These involve training in a recognized institute located in the candidate's geographical area. There are also a limited number of opportunities for training abroad as a visiting scholar in an observational role.

The Société Internationale d'Urologie provides two types of scholarships to young urologists (less than 10 years since obtaining M.D.).

1. The first scholarship allows the scholar to train in an SIU-Accredited Training Centre in the candidate's geographical area.
2. The second scholarship grants the visiting scholar an observational role in an SIU-Accredited Training Center.

Data Limite

May 31, 2025.

Elegibilidade

Urologists from the developing world who have earned their M.D. degree in the last 10 years are eligible to apply.

Valor Financiado

Both programmes offer scholarships for surgeons for a 3- or 6-month period in an FSIU-recognized institute, with US\$ 5,000 for a 6-month period and US\$ 2,500 for a 3-month period.

Forma de Solicitação

To apply for an SIU Scholarship, please submit the required documents to the following email addresses central.office@siu-urology.org and ana.acosta@siu-urology.org.
